Ordinance to Zone Sawyer Road Properties Annexed from Town of Summit

Mr. Wiemer explained why the Plan Commission recommends R2 zoning for the recently attached Sawyer Road properties. Comments were heard from the following:

1. Benn DiPasquale, 4353 Sawyer Road asked why rezone when the properties are all built on.
2. Richard Johnston asked why spot zone, all zoning should be the same.

Mr. Macy explained attached or annexed lands are assigned temporary zoning. Municipalities are required to go back and permanently rezone those lands, per Wisconsin statute.

Questions regarding offsets and additions to existing structures were asked by Lisa Anderson, 4446 N. Sawyer Road; and Ben Coultas, 4468 N. Sawyer Rd.

Mr. Wiemer stated these questions would best be answered by meeting with the zoning administrator, as each situation is unique.

There were no other comments from the public.

Motion (Birbaum/Kneiser) to adjourn the public hearing at 7:15 P.M. Carried Unanimously.

Respectfully submitted by:

Barbara Stern, Clerk-Treasurer
