Dear Village Residents,

RE: Woodlot Use

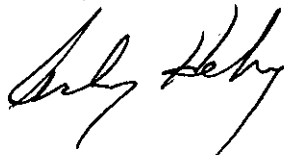

I am updating all village residents about the woodlot operating procedure going forward. At Monday's Village Board meeting I was advised to continue the current procedure, investigate camera placement, and to post additional signage. The Village is trying to prevent recent abuses to the woodlot.

The woodlot will continue to be open on Saturdays from 9:00AM - 3:00PM and Tuesdays and Thursdays from 4:00PM – 7:00PM. Unfortunately, the Village Hall staff will not be handing out keys to the woodlot.

Please kindly remind any landscaping company that works for you that the use of the woodlot is only for Oconomowoc Lake residents. The attendant at the woodlot will continue to log specifics of anyone who is dropping off refuse and exactly where it came from. To ensure landscape companies are using the woodlot for Village residents only, periodical checks of landscape companies working in the Village should be expected. Should you have any specific questions or concerns, please feel free to call the Village Hall at 262-567-5301.

Thanks,

Andy Helwig
